Subject: Request for accepting a IISER-K student for summer internship

To,

The Dean of Students,

This is to inform you that I have agreed to guide  
(Name).....,  
(Roll No.....) as a summer intern during the coming summer vacation. I request  
you to grant him/her the permission to stay in the Hostel during the summer recess.

I am aware that the students availing Inspire Fellowship from DST-India will be entitled to avail the contingency only if they carry out the summer project outside the parent Institute; otherwise the contingency amount will be carried over to the next year. Even though the student cannot avail the contingency during the coming summer, the work will be carried out satisfying all other requirements set by the DST. I will ensure that the student works on the project for a minimum period of 60 days, and submits a report to the Students' Affairs office at the end of the period.
